

# Vacation Portfolio

(Time management, scheduling, organization)

Must include at least the following (more pages can be added for each section)

Leaving \_\_\_\_\_ and returning \_\_\_\_\_ (Ask Me!)

1. **A Title Slide:** Name of destination, dates of trip, completed by: your name, and a picture of the destination. (You must leave on and return on the given dates) Cruises are not allowed.)
2. **The Chosen Destination: Fact Slides** - These pages must include pictures and facts (climate, landmarks, culture, currency, etc.) about the chosen destination. At least **FIVE facts**.
3. **Hotel/Motel/Condo/AirBnB, etc. (where you plan to stay) Slides:** These slides must include information about the chosen accommodations such as (amenities and prices), descriptions, and pictures of room and facilities, etc.) The more detail the better!
4. **Transportation** - I need a screenshot of your airline flight that includes the price for the dates above. *You cannot drive to your destination.*
5. **Itinerary/Schedule Pages for the Dates of the Trip:** Pick one event for each day of the trip. These slides should be detailed by explaining each day's events price for each event. Please provide a photo of each event.
6. **Expense Slides:** Include Total Price and Detail Price of all Costs.
7. **Reference Slide:** List all the website that you used.

Remember, MORE DETAIL IS BETTER THAN NOT ENOUGH DETAIL! Imagine all that you would like to know about a vacation. Also, money is not an issue; but you need to explain how much money is needed and for what. Include prices and costs for ALL activities and expenses.

This presentation needs to look professional. This is a representation of you. Do your best work and be sure to edit and proofread all your work.
