## Digital Camera Scavenger Hunt

1. What type of AA batteries are best to use with a digital camera? (assume your camera takes AA batteries)

\_\_\_\_\_

A good camera takes about 100-1000 photos with a single charge as long as other factors, such as built-in flash and extended use of the LCD screen, are not allowed to drain battery power.

What do the following standard function buttons represent?

2. \_\_\_\_\_

3. \_\_\_\_\_
