My Friend, the Animal

1. You **MUST** use somebody in the class (or yourself).
2. You **MUST** have their permission.
3. You **MUST** respect your friend if he or she says 'No.'
4. You **MUST** be kind to your animal friend.
5. You can use an existing photo of your friend or take a new photo. You may use any animal (face/head) photo you like
