

Career Investigation

This assignment will allow you the opportunity to investigate different careers which are of interest to you. I hope that this will be an educational experience which is fun, informative, and thought-provoking. There are two parts to this career investigation which need to be completed.

This part of your career investigation will require you to select a career which is of interest to you. When selecting the career you wish to investigate, be sure that you can complete all project requirements. It is expected that all results of your research are presented in a professional manner, which includes a power point presentation to the class

Please include the following topics when completing your investigation of each career:
