

You're a Celebrity Poster

Many celebrities, particularly athletes, have posters featuring their credentials and or motivational quotes. You are going to create a celebrity poster featuring yourself and a motivational quote that speaks to who you are and who you want to become.

Requirements	Points Possible	Points Earned
Layout: Orientation of the page (landscape vs. portrait) is suitable for the chosen picture.	5	
Images: Resize the images to fit the <u>majority of the page</u> - Student has a minimum of 3 pictures of themselves - Pictures have good resolution and are not pixelated (about 2500 x 3000 pixels in size) - Student has utilized Selection Tools and Opacity to give the pictures a unique and finished look. Layered?	20	
Background: Student has applied a background to the poster	15	
Border/Frame: Poster has a visible border that enhances the colors in the image.	10	
Name: Student's first and last name is legible from a distance in terms of color, typeface, size, and layer styles. -Name has at least three different stylized effects such as warp, stroke, shadow etc.	10	
Quote: Is easy to read, in terms of color, typeface, size, and layer styles. School appropriate -The original author of the quote is cited.	10	
Overall: Name, quote and images work together to create a cohesive poster.	20	
Saving/: Poster added to your portfolio AND emailed to me.	10	
Total Project Points	100
